Sir:

This communication is responsive to the Office Action mailed January 5, 2004, due on or before February 5, 2004.

REMARKS

Claims 1-34 were in the Application as filed. In a Preliminary Amendment filed with the application on November 2, 2001, Claims 1-34 were canceled and Claims 35-61 were added.

1. Previous Restriction and Species Election

The claims were previously restricted into two groups, with Group I comprising Claims 35-51 and Group II comprising Claims 52-61. Applicants elected Group I, and Group II Claims 52-61 were canceled without prejudice. Within elected Group I, the Examiner asserted that there are several patentably distinct species. Applicants elected Species (1) and Species (6). Applicants note with appreciation that the Examiner has withdrawn the Species election requirement for Species (3) and (4), and has combined Claims 40 and 41 together.
